

Hyundai BAYON

Generating soon...

Everything

is complete the way it is.

Then things start to change.

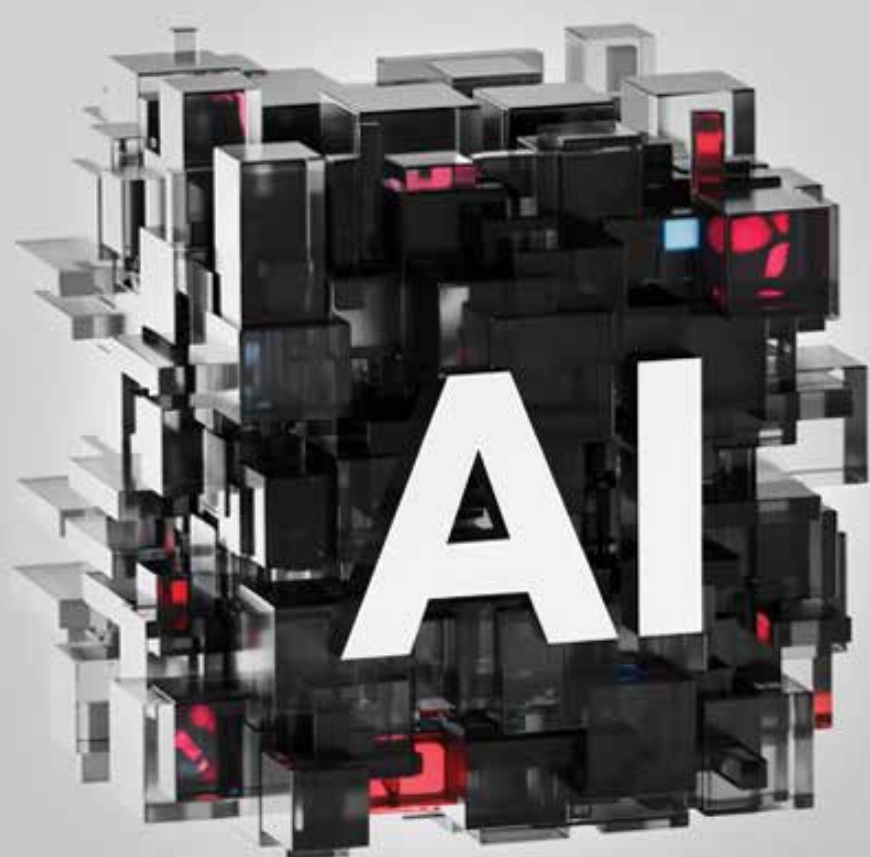

Then things start coming together.

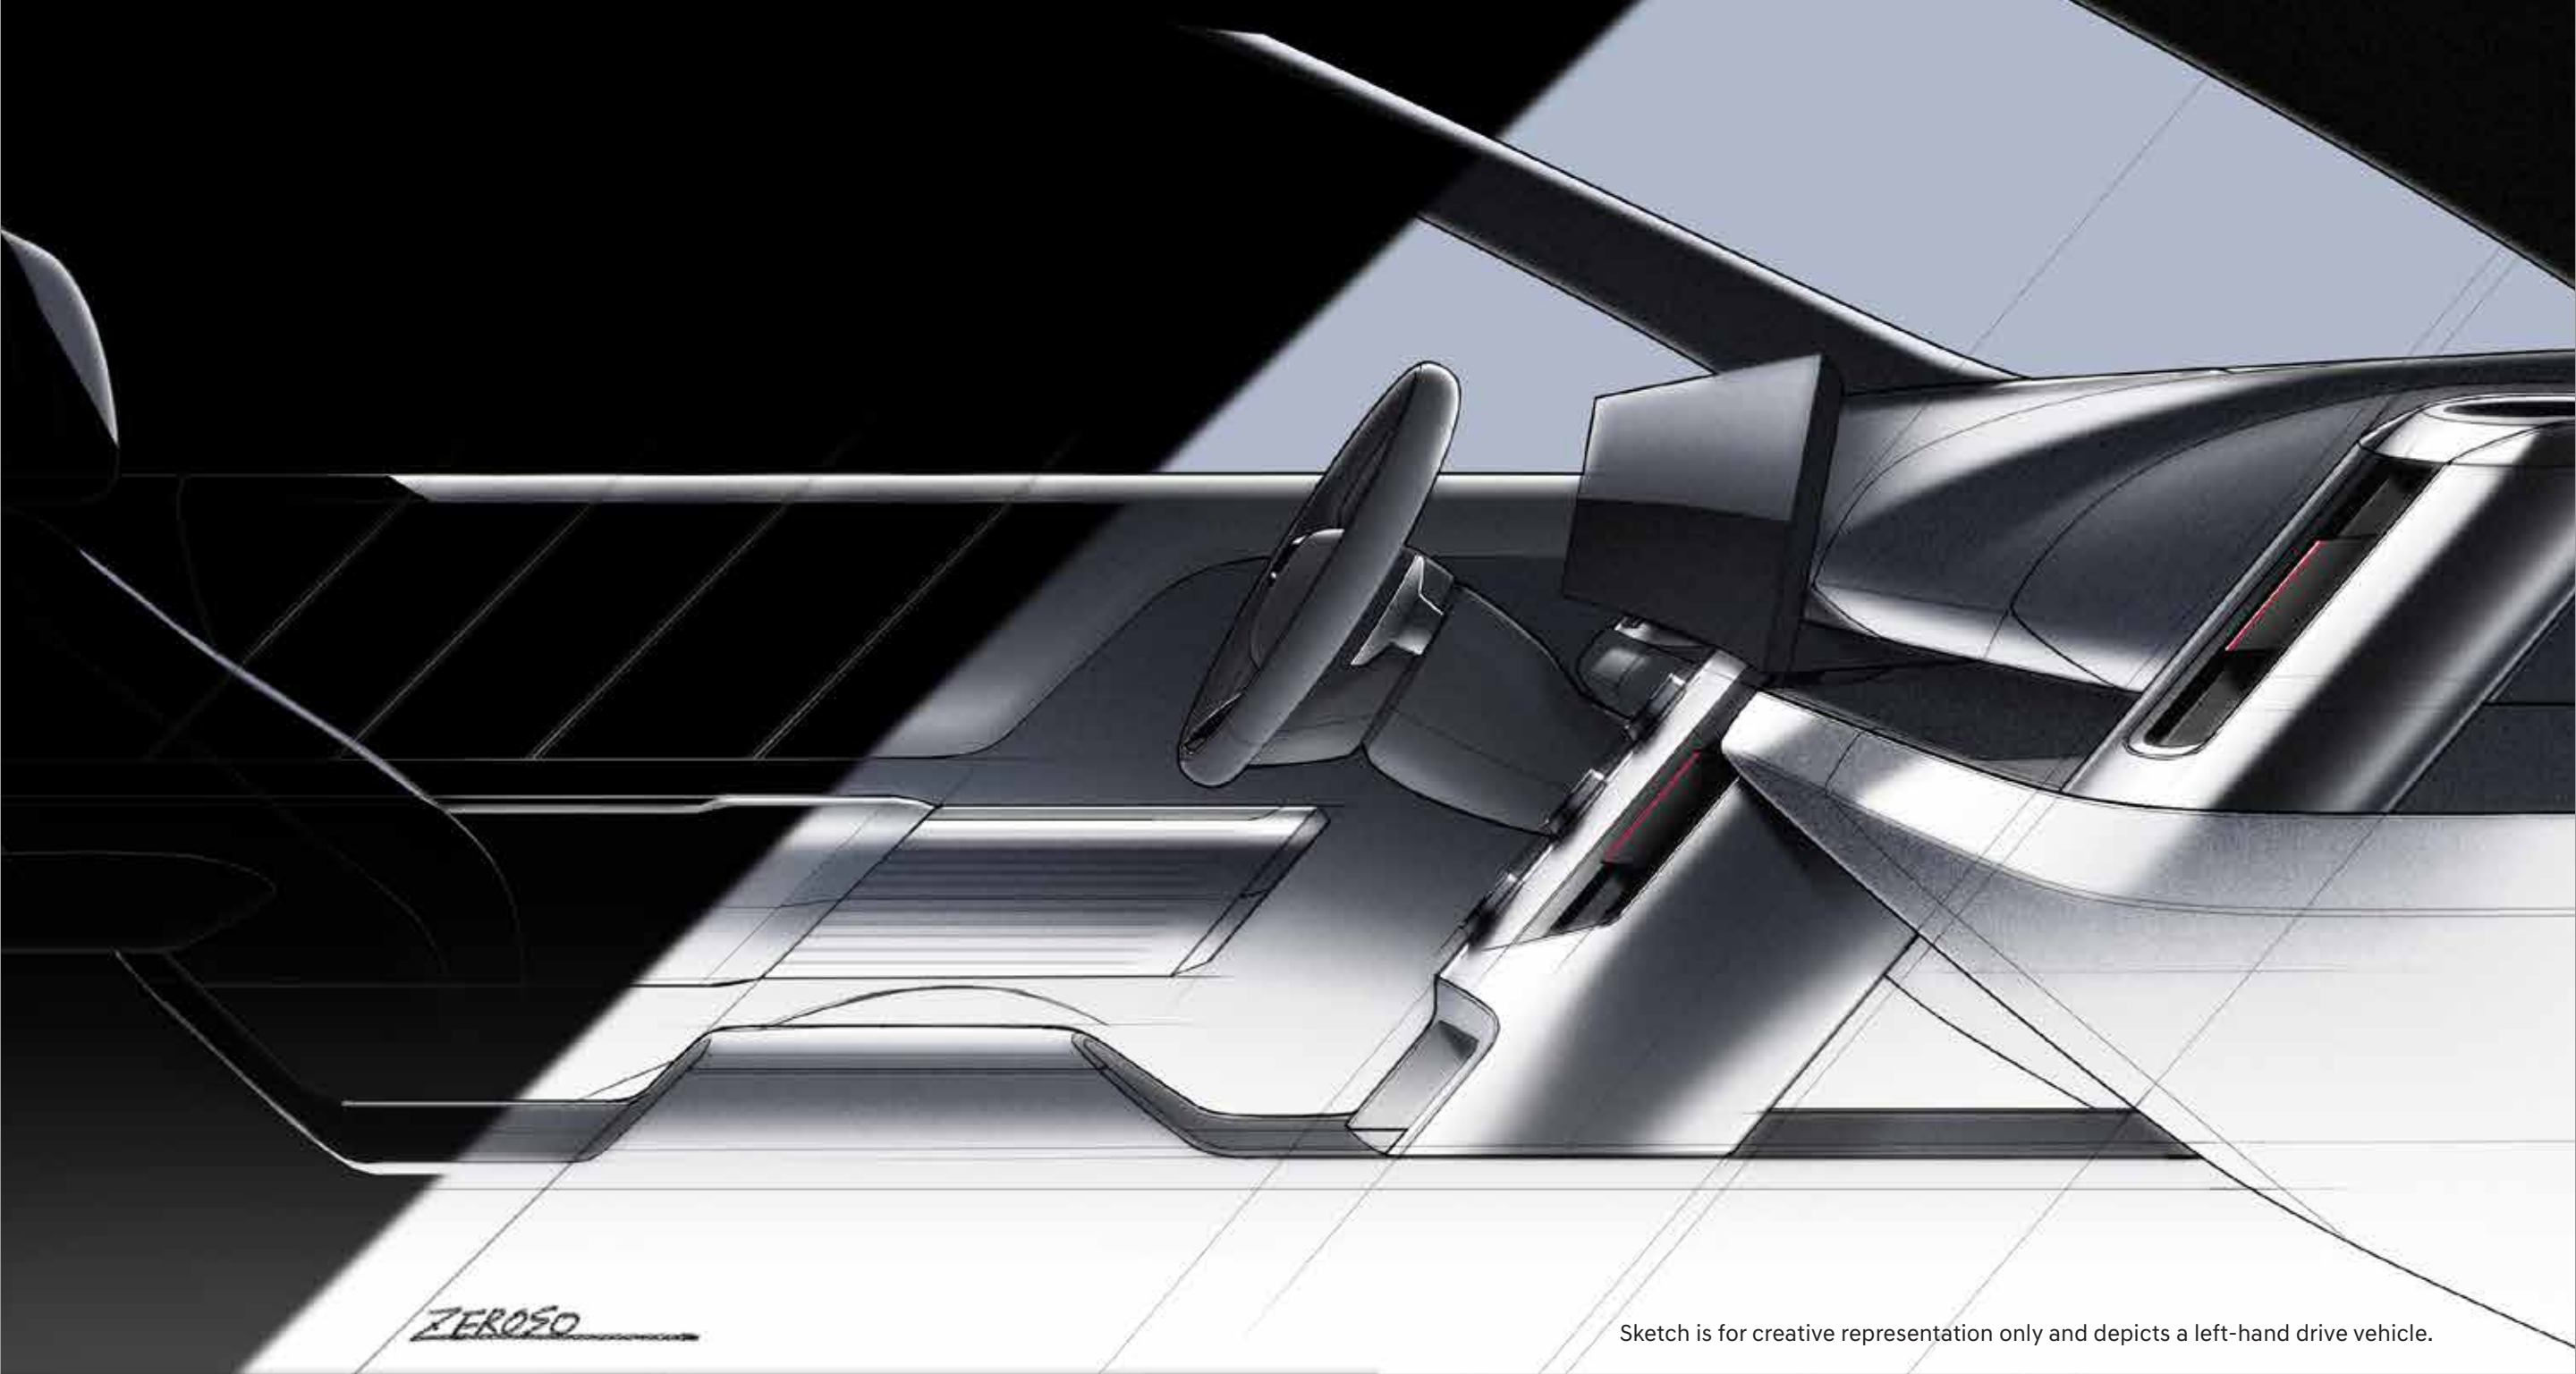

Multiple intelligences,
building a greater intelligence.

The one designed to move you.

Intelligence ON.

Hyundai
BAYON

Shaped by intelligence.

Futuristic by design.

Intelligent by nature.

Hyundai BAYON brings

intuitive AI technology,

effortless comfort, proactive safety

and dynamic performance to every drive.

It moves you, intelligently.

Hyundai BAYON

moves intelligently.

Every line, feature and interaction

designed with intent

to create an

Vehicle**

True intelligence.

It is what every feature,

line and interaction is designed around.

The kind that shapes every curve,

every technology, every experience with intent.

Culminating in an SUV that thinks

and moves intelligently.

An Intelligent Utility Vehicle

that impresses with its technology

and the way it drives.

Intelligence ON.
